

Welcome to Cargill Cares Alumni New Website and Data Base

The website and data base will allow you to maintain and manage all your own personal information. In the future you will be able to sign up for events at the website.

You and your spouse/partner (if you gave us your spouse/partner information) are loaded as members. Please review and update any of that information if we don't have it accurate. Or contact us at cargillcaresalumni11@gmail.com (notice we have a new email address too).

So go to the following link <https://cargillcaresalumni.wildapricot.org> (if you have the prior CCA website bookmarked, you will be redirected to the site for the time being – however, please update your bookmark to the new site). In the upper right hand area you will see an outline of blue person like below. Click on the person and you will then set up your password using your email address as the username (You don't currently have a password, but use the forgot or change password to set it up for the first time).

Sign In by clicking on person
above to set up password or
review profile

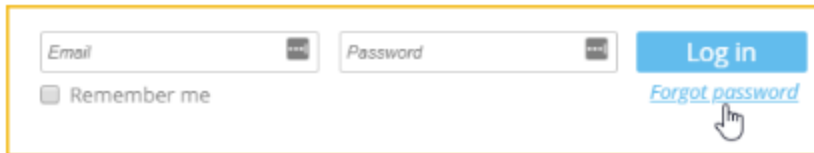

Password rules are as follows:

Password requirements

- Minimum of 7 characters
- Maximum of 50 characters
- Any combination of letters, numbers and characters (except spaces)

Wild Apricot passwords are case sensitive.

If a member or other contact forgets their password, they can click the **Forgot password** link that appears beside the **Login** button on the login form or login screen.

A screenshot of a login form. It features two input fields: 'Email' and 'Password', each with a small icon on the right side. Below the 'Email' field is a checkbox labeled 'Remember me'. To the right of the input fields is a blue 'Log in' button. Below the 'Log in' button is a blue link labeled 'Forgot password' with a mouse cursor icon pointing at it.

On the screen that appears, the contact enters their email address and clicks the **Submit** button.

A screenshot of a 'Reset your password' form. The title 'Reset your password' is at the top. Below it are two input fields: '* New password' and '* Confirm new password'. At the bottom of the form is a button labeled 'Set new password'.

An email will be sent to the address they entered with a link they can click to change their password. For security reasons, the link will expire within 24 hours of the message being sent.

PLEASE LOG IN TO CONTINUE

Separation Date **12/01/2017**

Spark ID **ALUM32940**

Patron **Yes**

Inactive Date

Deceased Date

If your spouse/partner has a separate email they should look at their information in the same manner, they will have received an email from us. One caveat, the system does not allow for shared emails so if they did not get an email from us they will not be able to update their own information but you are linked together in the data base.

If you have any questions or trouble, please call or email the Cargill Cares Alumni office at 952-742-6188 or cargillcaresalumn11@gmail.com.

The system also lets you set your own security settings, once in your profile click on “Privacy” and then “Edit Profile” in the blue box. You have choices about what you want anyone to see and what you want other members to see. Currently what anybody can see is your first name and last name, if you want other members to see your email, address or phone number just click on that line after clicking the edit button and change which column is marked. Then “SAVE” at the blue box under MY PROFILE.

Membership Directory

You can see a list of members and if they have shared their email, phone number and/or address, just go to the membership directory and scroll through the list or search for them.
